“ My brother, my best friend, my partner in crime, my fishing buddy for 41 years! You where so much a part of my life. From finding me "the love of my life" to getting me into racing, boating, fishing, NASCAR (not my dads first choice LOL) you remember what he told ya :-) We had so many great times together and could ALWAYS lean on each other in stressful times. 78 MPH in the FAR left lane on Rt. 95 south deciding at a moments notice to get some Carl's Soft Serve Ice cream..in your old Toyota S/W crossing 4 lanes of traffic and hitting the exit ramp on 2 wheels LMAO to racing each other on the go-cart track in Stafford....Those and MANY more great memories will keep a smile on my face!

Also, knowing that you are safe in the Loving Arms or Our Lord and Savior & with Tyler and your friends and family that passed before you. I will miss you and think of you everyday! Please give my dad (The Mayor of Yorkshire) a HUGE hug and kiss for me.

Until we meet again my brother, rest in peace!

Love,
Patrick, Vicki and Little Patrick

“ My Dearest Greg,

There's so much I want to say. I don't even know where to begin. We had the best childhood growing up at Mommaw's and Poppaw's. From the midnight snacks to the mid-day stashes we had, eating was never a problem! Remember Bobby Lee and the Purina Dog Chow? OMG!!!! You'd eat anything!!!!

We had such a great time on Sundays. The three of us could do pretty much anything and get by with it. Remember us playing baseball that Sunday afternoon? Poppaw just had all those new windows put in the house. You pitched, I swung, and Holy Cow Batman!!!! There went one of Poppaw's windows! Here come my Dad - mad as a hornet! Poor Poppaw - he just smiled and said, "Now Walter, I was going to talk that window out anyway. It didn't work right!" Shew!

Or how about the time Mommaw and Poppaw was having their septic tank pumped? I won't remind you of our songs!!!

Dot going up the hill, Mrs. Robinson yelling at Anthony, Bob yelling at Bobby agent....I could go on and on.

How about the hand car? What about the 60cc motorcycle Dad got you! Boy, I could tell stories about that one but I won't!

We talked so much. You and I had each other's secrets. Mine are safe with you now and your's Will go to my grave with me. I promise.

Memorial Day weekend... I knew it was going to be hard on you. That's one of the holidays they neglect to tell you about. We cried, we laughed, and we had fun! Wish I could have 5 of those minutes back with you!

Thank you for coming down when I got my PhD and again n for my DNP. You were my only family there and the dinners afterward made the hassle for that tassel worth the wrestle!

I love you more than I could ever say. Just keep being that wonderful guy you are and all will be fine. Find Mommaw, Poppaw, my Grandpaw (really cool story I told you wasn't it?!?!?), and most certainly, Tyler. Tell him how much we all loved him and missing him. Show him that picture of Chaser in his boots and cover. I know he'll have a big smile for that!!!

I've cried pretty much non-stop since I got the news. This world is one light dimmer now. The sun shines a little brighter and the moon, well, it seems further away. Guess we never had a chance to try launching off a BIG Tamp and send you into automatic first place! Some of your ideas!

I have always been a huge Bobby Allison fan because of you. Dee and I did a lot because of you. It was all worth it though!

Sorry we won't be able to do the things we had planned for this summer. I think the girls would have enjoyed our adventures.

Greg, I love you to the moon and back a million times. I hope you can Rest In Peace. I hope you always have Tyler by your side. I know the streets of gold may have a few tire tracks on them just so you can get everything running right, but I don't think God would mind. After all, the joyous reunion you're having now makes it all worth while.

I love you Gregory Lee. I hope you can rest now. I told you not to let the grief eat you up. You assured me it wasn't. Sweetheart, enjoy your ride! The green is down and the checkered is there waiting for you. Most of all, Tyler is there to help you when you need it.

Play some good music, tell everyone we know and love hello, and always know I loved you like a brother!!!!

See you soon Little Brother!!!!

P.S. Please don't song "Rollon Big Momma." Poppaw will have a fit! Love, hugs, and prayers my love! You left behind a lot of sad people who can't wait to see you again!

Love you bunches Little Brother!!!!!!
