

Gregory John Cuppett

July 24, 1959 - February 20, 2018

Gregory John Cuppett, age 58, passed away on February 20, 2018 at his home in Haymarket, VA.

He was born on July 24, 1959 in Vienna, VA to the late Dean T. and Alzine M. (Straub) Cuppett.

Gregory John was a husband, father, grandfather, brother, son and a faithful man of God who, with great commitment, supported his family. Though Greg was often seen as a man of few words, it was clearly evident that he held strong to his faith. He had an unwavering commitment in his Christian convictions; reading God's word & seeking his hand throughout his day. He was a good ole boy, who loved his home of 33 years, located at the base of Bull Run Mountain. He had an affinity for repairing anything & everything in and outside the home-- so there was hardly ever a need for a repair man. His ability to repair & problem solve along with his love for cars became his life long career as an auto technician. Most who knew him did not hesitate to seek out his advice when it came to their vehicles because of his knowledge, which he used to support his family as an auto-mechanic for 43 years. Many people depended on Greg as he was a caring, consistent and genuine man of God. He served his church, Centreville Baptist Church, as an offering usher. He was a reliable, faithful friend and provided love and support to many people.

Survivors include his loving wife of 32 years, Bonnie Cuppett of Haymarket, VA; three daughters: Ashley N. Richardson and husband Dean M. Richardson, Sara E. Cuppett, Grace E. Cuppett all of Haymarket, VA; one grandchild: Cole M. Richardson of Haymarket, VA; and five siblings: Candace M. Payne of Winchester, VA, Joyce A. Miller of Annapolis, MD, Reid T. Cuppett of Florida, Gary M. Cuppett of Ashburn, VA and Amy L. Cuppett of Centreville, VA

The family will receive friends on Friday, February 23, 2018 from 2:00 PM – 3:00 PM at Centreville Baptist Church, 15100 Lee Hwy, Centreville, VA 20120 where a Celebration of Life will be held at 3:00 PM with Pastor Bill Hatcher officiating.

“ So many wonderful early memories. Always displaying that “Cuppett Crinkle”, it was a treat for us dancers to see Greg amble amiably through the studio on Old Courthouse Road! Usually on the way to or from work, he'd have a dinner or laundry question for Mrs. Cuppett. Then he'd flash his mischievous smile, and disappear from view. I'm sure he must've realized how much we were watching him! I was also thankful for his snow shoveling ability or we would have missed even more winter classes on that hill! Part of a well oiled machine, he always diligently worked to help make the recital sets perfect. Quiet, steady, helpful, and loyal. My heart aches at his loss and my prayers continue for Bonnie, the girls, and the whole Cuppett family. May God bless you, comfort you, and walk with you, as you move forward together.

“ I always remember Greg poking his head into the home dance studio to ask Mrs. "C" a quick question. He always had a smile for us, and he was QUITE cute and mysterious! I loved growing up and getting to work on putting up scenery with him every year at Recitals. He was so confident with all things mechanical, and making everything perfect and ready for the show! Everyone adored him. Such an excellent man. He will be SO incredibly missed.

“ To the Cuppett Family and friends, I am so grief stricken that words can't really do justice, Greg. You were such a close family friend of the Wiggins'. You were always there when any of us were yelling for something to be done to our vehicles. My big Chevy van for many years, assisting Jim with his 'vette back in the day and you were always one of my mother and dad's favorite friends. Even though the years went by way too quickly and many of us had not seen you in a few years, we all considered you a very close friend. You will missed by all of us and may God Bless all your family and friends. RIP.

“ *I am so sorry for your loss I was a teacher at CPAC from 1980 until 1999. I really enjoyed knowing the whole Cuppett family. I was impressed at how close they all were. The whole family pitched in to help with the recitals. Although I have made a life for myself in NC still teaching dance, I miss teaching at CPAC. LOVE YOU ALL.

“ *Our many summers at Bethany Beach - the McCloskeys and the Cuppetts - Greg was nicknamed "Sargent Surf". He always had a smile.*

My thoughts are of the Cuppetts and the sadness and heartbreak they are feeling now.
