“ Sorry for your lose. My older brother and Butch were friends from when we all lived on Amherst Drive. I last saw Butch when he was in one of my summer school course and we talked about old times.

“ We were so saddened to learn of Butch's passing. We will miss his laugh, his crazy sayings and our times over a cup of tea. Rest in peace, my friend. See you on the other side.

“ To Gabby and Misty,

You know how much your Dad loved you. Glad I got the opportunity to meet a man so devoted to his girls. No words are good enough to express my condolences right now. May God help you and your family find peace on such a dark day.
