“ Hello Victoria and Elizabeth,
I just recently learned of Gregg's death. He was one of my closest friends in high school. Turkeyfoot High school. Gregg, Mike Glover and Bob Lytle always hung out together, playing "war" with pencils and little tanks. He knew me primarily by my high school nickname "Elmo" which I gladly left behind in high school. He was a good friend, I will keep you both in my prayers.
Sincerely,
David Burnworth

“ Victoria and Elizabeth,
I am so sorry to here about Greg's passing. I worked with Greg at the CG ICC watch in the 2003-2005 timeframe, and I always remembered how important you two were in his life. I remember him constantly talking about "my daughter Elizabeth" and the excitement associated with purchasing your home in Catlett. Greg was always a calming influence during high stress situations at work, and was never short on infusing humor into our everyday work environment. Please know that Greg and you both are in our thoughts and prayers.
Sincerely,
Dan, Kendra and Ella Kennedy

“ Victoria and Elizabeth, I will miss Greg. I had the pleasure to work with him for a couple of years on the watch at ICC. He was a solid, thoughtful, and balanced man with a lot of patience. He was also a fun, funny guy, and an outstanding officer in the Coast Guard. I am sad to hear of your loss.
