“ My heart is so heavy with the news of your loss. I haven't seen Greg in years but will never forget him. Greg was such a pleasant, giving person always willing to help a person in need and was the type of person that would give you the shirt off his back. I know he is in heaven and someday I will see him again. God bless you Greg!

“ I wanted to say how sad I was to hear the news re Greg. He was the mailman at Fairfield House for so many years. He was such a fine person. It was always fun speaking w/ him. He personified, to me, the perfect public servant. We were blessed to have known him.

“ I will miss Greg our wonderful mailman at Fairfield House Condominiums for many years.

He always kept my packages for me at the post office when I was not at home due to people stealing them when left outside my door. He gave me his phone number to call him when I came home and said if he was still in the area he would bring the package over.

This summer when I was on crutches from knee surgery, Greg would bring my mail to me if I was sitting outdoors. Otherwise, he would leave it with my neighbor so that they could get it to me since I had a hard time going up the stairs.

He shared stories about his past knee surgery, sports, and vacations he had taken. He was a kind person!
