“ *I did not really know Mr. Harless Fletcher but have had the privilege and honor of knowing and working with his son Gary for over 14 years at the American Red Cross. During this period had I did hear from time to time the many good things about Gary's dad and his family. I know from the fine, thoughtful, and caring person that Gary is that his dad had a lot to do with that in his upbringing which in itself reflects on the many fine attributes of Mr. Harless Fletcher. I am sure he had the same positive influence on all of his family and friends and will continue to do so through Gary and personally in heaven. Our prayers and thoughts are with your family.*
