“ *When we say good-bye to a loved one and friend, we realize we were truly blessed. Because, we will have the happy memories forever and now a guardian angel is ours upon request. Although the memory I have with her is short, I know she is a guardian angel (like a Mom) to me. “Blessed are those who mourn, for they will be comforted.” - Janie Miller* ”

“ Harnetha was a client but also someone I considered a friend. Since she retired I didn't see her in person as much as I did when she was working between runs. I will always remember our long conversations. Rest in peace my friend. Until we see each other again. Eliana
