“ *Tomorrow is a very sad day for my family. It has been 1 year since you left us, and we all miss you every day. There is comfort in knowing you are no longer suffering, and that you have been reunited with my Daddy, Grandma and Grandpa too. I miss you terribly Uncle Dear...I love you always.*

“ *Harold was a wonderful man and he would always speak very highly of his wife and daughter - he certainly loved his family. He was looking forward to retirement and unfortunately, his health became an issue. He actually made it to my retirement luncheon this past September and it was great to see him.*

*He is in heaven now and feeling better than he ever has - so that much we can take solice in.*

*Khem, you and Oye are in my heart and prayers.*

“ My heart is broken. I feel like I lost a brother. But I am very blessed that I was lucky enough to know Harold and be able to call him a friend. He was a wonderful person who would do anything for you. We worked together at Vint Hill and again in Saudi Arabia. I will miss your crazy driving and your wonderful humor. Khem, he will be missed every minute of every day. My thoughts and prayers are with you Khem, Oye and the family for strength for the days ahead.

“ I knew Harold since the days of DCMA in Riyadh, Saudi Arabia, Mar 1999, where he and Violet worked in the same office. Harold was always the sincere, sensitive and Considerate gentleman who treated everyone with dignity and respect. We traveled across the Gulf and attended many parties together. We also got to know and became friends with his wife Khem and daughter Oye, and Mom before her death. We pray to God that he may rest in peace and be with his family in these hard and sad days.
