“ *Harold and I had many opportunities to work together during his career with HP. He was such a pleasure to work with, intelligent, sensitive and always willing to listen to another opinion. All of us who knew him and worked with him feel a great loss. My sincere sympathies to you and your family.*

“ Dear family of Harold Gordon,

I was in the Rolling Meadows, IL Personnel from 1968 to 1989 and had the privilege of working with Harold on many occasions. I truly admired him as an individual who cared about people, and gave unselfishly of himself at all times. I am sorry for your loss. I know he will be missed by everyone he came in contact with. I will pray for him and for his family.

*Regards,
