“ To the family of Harold - I was saddened to learn of Harold's passing. We were friends in high school and even tho it had been many years since we'd seen one another, he remained a part of my memories and I often thought of the good times we had shared as youngsters. My heart goes out to you but knowing he's now in a better place should help you in this time of grief. Sincerely, Jean Frinks Reid, VA Beach, VA.
