“ Gene will be missed. He was always upbeat, positive, and willing to share. I especially enjoyed working with him in BEACON classes and will think of him often.

“ I will miss Gene's "Good morning, Love," and sincere smile. He made everyone feel special and welcomed at church. I am grateful for what he taught my children in Sunday school and what he modeled in life for all. What a blessing to this world!

“ Gene was always very easy to get along with, his personality was warm and welcoming. I remember him from when we first started attending Bethel, he was always there with a smile and a kind word of welcome. He will be greatly missed.

“ Gene shared his faith with dozens of kids who came through the Bethel 4th-6th grade Sunday school classes over the past 5 years. He gave our rowdy young boys a sympathetic and caring presence as he helped them puzzle their ways through the weekly lessons. He lifted up the kids' prayer concerns and encouraged them to support the residents of a local homeless shelter by sharing groceries and cooking meals; The kitchen crew will miss the friendly shoulder clap and "What's cooking?" question in the months to come. Thank you for sharing, Gene. You helped light our paths. I'll miss the Hawaiian shirts. Rest in peace and with a smile. Ellen Sullivan
