“ OK, this is inappropriate, I don't really care cause this sums up my entire relationship with my Uncle Harry. I reckon my Dad (Ralph Carroll) had asked Uncle Harry to talk to me about coming of age. And this is exactly how the conversation went.

Uncle Harry: Boy, your dad told me what you been doing. You know you'll go blind doing that.

Me: really

Uncle Harry: (looking me dead in the eyes) yeah, that's why I have to wear glasses.

I heard a million times growing up "You're just like your Uncle Harry" and I always took that as a compliment. Uncle Harry and I had a bond, we didn't talk a lot as I got older, life and all, but we always had that bond. I will miss him and his laugh more than you can know.

My prayers are with our family!!!!

We had so much fun and he was always on my side and kindly giving Wm a good hard time. He will really be missed but we know that he's on duty in heaven now. May God bless and keep you.
