

Harry William Simmermon

October 27, 1941 - May 30, 2023

Harry William Simmermon Sr.

It is with a heavy heart that we announce the passing of Harry W. Simmermon Sr., age 81. Harry passed away peacefully in his home on Tuesday May 30, 2023 surrounded by his family. As per Harry's request no funeral or memorial service will be held. Harry was born on October 27, 1941 in Woodbury New Jersey and lived the first 60 years of his life in Williamstown New Jersey before moving to Palm Coast Florida in 2001 and then Haymarket Virginia in 2009 with his wife Pat.

Harry met the love of his life Pat, and they were married on August 6, 1966. A few years later had two children, Harry Jr. and Pattysue. He was the owner and operator of his gas station in Williamstown New Jersey for over 30 years along with being a volunteer fireman for the Williamstown Fire Department. He never slowed down when it came to work and learning new skills, so if you really want to know what he did during his life to provide for his family you would need to list so many more things; Tow Truck Driver, Contractor, Real Estate Agent, Bus Driver and Ultimate Handyman are just a few. In his spare time, he loved to fish and be out on the water. He always had a project he was working on and never gave up the opportunity to be the taste tester of any sweets or goodies.

Harry was "too blessed to be stressed" as he would say and one of those blessings were his three grandchildren Tylor, Nicholas and Miranda. He

cherished and loved spending time with them and never gave up the opportunity to include them when he was working or fixing something; teaching them how to do things was his specialty. He always had pictures ready to share of the three of them and couldn't help but tell everyone what they were up to and how proud he was of them.

Harry had two siblings, Jack Simmermon (Shirley) and Judy Simmermon (Cindy), and three brother in laws, Joe Waddington (Marilyn), Tom Waddington (Kay), Bill Waddington (Peggy) along with lots of nieces and nephews. Harry was a kind and generous man and will be missed by all who knew him.

“ I met Harry and Pat when they both drove school buses for PWC schools. There was no one else like him. He was friendly, warm and delightful to be around as all whom worked with him can agree to. Harry talked often about his grandchildren and was so proud of them. He glowed with pride when telling one of his stories about them. Harry will be missed I'm sure (including myself) by all who had the privilege to know him. Rest in peace Mr Zimmerman.
