The 2nd child of Annie W. Wilson and John Henry Wilson born in Savannah, GA on September 19, 1956.

Upon graduation from high school, he entered the Armed Services and was stationed in North Carolina, where he met Sue Chalmers and out of that union, Harry Jr was born. Following his service days, he settled in Colorado, where he worked for Blue Cross/Blue Shield as Chief of Security and as an Environmentalist for the EPA.

In 2010, he moved to Virginia to be closer to his mother and provide some moral support for his older sister Shirley.
