“ We are sad not to be able to be there due to the distance and the suddenness of all this.  
We loved Harvey so much and will really miss him. What a great friend to my parents and my own family as well, for over 70 years! He was brilliant, hard working, a real good adviser to us all. He was real, not phony, and strong in his opinions - much of which I agreed with as far as I can remember, but not everyone did! My wife Betty can remember the time when he and my Aunt Dot's boyfriend were at our wedding in 1986. They argued like cats and dogs over politics and who knows what else, and were having a hard time - but after the wedding, they agreed it was a great wedding and they shook hands! We were blessed because we knew Harvey really means what he says.  
Much love and condolences to all the family. We are so sorry we could not be there.

“ Uncle Harvey, you meant so much to us. So sad that the miles keep us all apart. You have both done so much for my mum, sisters and I. Truly one of life's gems and a beautiful man. You will always be in our thoughts. Love you. Jennifer xxxx

Ps. I will always fondly remember those long distance phone calls with you and Auntie June talking at the exactly same time... another favourite is "June do I like this?" before eating something. Forever cherished, never forgotten xxxx
