“ *We did not stay in close touch as we became adults, but Heidi always asked about me and always passed on her hello's and well wishes- WE were Cousins, we grew up with Horses and dogs and cats, as kids we played many a game of hide and seek at Nana and Pop's and had watermelon seed fights on 4th of July celebrations. I'm glad I had the opportunity to see Heidi and talk about some of those things before she passed.*

I'm so glad that she was with her family, and surrounded by love at her Brother Jimmy (James) home when she took her journey.

She will be missed, but remembered fondly.
