“ My thoughts and prayers to are with you at this difficult time. When I think of Aunt Helen my immediate reaction is what a kind loving soul.. If we all lived by her example what a beautiful world it would be. I surely will miss her gentle voice and loving spirit. In my eyes we lost an earthly angel and heaven gained one. She left a beautiful legacy.

God Bless the family.

“ Aunt Helen has allowed us to stay connected to the extended House family with stories and just being able to visit her and be reminded so much of our mom - Ruth. The two of them shared so many mannerisms and other traits. The extended family has lived on with each of the children and especially Helen.

She enjoyed her own family so much that it was always a pleasure to visit and learn what so many were doing. I will miss being able to share those times and new stories.

Hope tomorrow's visits and sharing are meaningful to all in attendance.

“ *As a young mother and as a first time Sunday School teacher of elementary children at NCOB I so appreciated Helen's support. I will never forget her helping me explain the Trinity to a group of children. Her words and drawing of God, The Son, and The Holy Spirit were the best I've ever seen.*

In the last few years being able to make brief visits, talk and pray with her over the phone and do a little Christmas Caroling to her over the phone were very special. Helen and Kenny were dear people.
