“ *My thoughts and prayers are with you and your family during this difficult time. We don't know or understand why people are taken from us. Pain, sorrow, memories, laughter, and joy are all part of this journey called life. Share the sorrow as well as the joy that is a part of your lives together as a family.*

“ Our deepest sympathies to Mrs. Prosisie's family. Our daughter, Christine, was one of her "special needs" students at Osbourn Park High School. Christine said this was very sad and I know she will miss Mrs. Prosisie tremendously. Christine always had wonderful things to say about her. She is at peace in heaven now.

“ My family and I wish to offer our deepest condolences to the family of Polly Prosisie. Polly was more than just my teacher assistant. She was a very dear friend. She gave so much of herself to the students in our program. I will never forget all of the creative things that she did to make our lesson plans fun for our students. She will be missed but never forgotten.

“ The years that you spent with me at Osbourn Park H.S. will be cherished for ever. I will miss you and will think about often. Every time that I see a star in the night sky I will know that you are thinking about all of your students at O.P.
Thank you for teaching me I will always remember you.
