“ When I saw the obituaries this morning, I was saddened to see the name Helen Sari. I checked to see if it was the same Helen we knew and loved from St. Andrews and knew when we saw the reference to the "Candy Lady" that it was. I will never forget her many kindnesses to us and to our young children. We adored her and so did our kids. She was never without a kind word or a treat for the kids. She was a fantastic Sunday School teacher who showed the love of Christ in everything she did. I have thought of her over the years many times and wish that I could have seen her before she died. I am comforted by the knowledge that she is in the arms of a loving God at this moment. My sympathy and condolences to all of her family and friends. She was one beautiful person, who will be sorely missed.

“ Pat,

*I just found out that your mother passed away. I would like to extend my sympathy to you and your family during your time of loss. I really loved your mother and enjoyed our conversations and hugs at ATE. She will be greatly missed by my daughter Alexandria and I. Registration will not be the same without her, but I know that she will be there in spirit because she would never miss an ATE meeting. Let God be with you during this time of sorrow. Your friend at ATE.*

*Emma*

*Thank you,*
