“ When I think of Bubba I think of one of my children. They all hanged out together and when you saw one you saw Bubba. Bubba was the most sweetest young man and always called me Mrs. he was a great kid to have in my home. Bubba and I got close over the years thru my kids. Bubba is one of those spirits that is sitting at the right hand of our lord. Telling him jokes and making him laugh. God must have needed Bubba more than we did him on earth. To his family remember that Bubba loved each and everyone of you..Grief if you must for a while but let him go so he can make all heaven laugh

“ I remember walking home from school in the 10th grade. Bubba was walking home across the street from me. He looked at me from across the street and flashed a huge smile at me. I knew we would be friends. His kindness and smile will remain in my heart forever.
