“ I'm so sorry and saddened to hear about Skip's passing. Having grown up in the same neighborhood with the Millers I had known him for a very long time, although, sadly, I had not seen him in a many years.

My memory of Skip is he always a smile on his face and a good word to say.

Skip and my late brother Andy, who died several years ago, were the best of friends growing up on St. Simons. I'm sure they will be glad to get together again on the other side.

I will keep you all in my prayers.

“ Even after a week, I'm at a loss for words but will try. My heart hurts for one of my favorite families. To me, they ARE MY family. When I met Henry, he was known as Skip to me so to this day I will always refer to him as Skip-Henry. He was such an honest and beautiful man who loved Cathy, his children and grandchildren so much. It's a hard loss but find comfort knowing he's with God now, his Dad and brother. Angels are hard to find. You all now have your own Guardian Angel watching over you till the day he's there to greet you too. I love you all and am so sorry I couldn't be there for you. I too will take time to grieve and you know I'm a phone call away.

“ Please accept my deepest sympathy. Skippy was a sweet fellow in school @ Glynn County Jr Hight and Glynn Academy. I last saw him @ one of the reunions and he had not changed. He talked about his lovely wife and children. Skippy was a special person.

“ I've just learned of "Skippy's" death today, and while I am greatly saddened by his passing, I so enjoyed reading a little of his life. I must say I am not surprised to learn of how wonderful of a life he lived, how honest, hard working and loving he was, and what a great love of life he had. I knew him as a teenager, and not at all surprised. Skippy was truly one of the good guys growing up. May he rest in peace, and the Peace of Christ rest with you all.  
Blessings, The Rev. Jim Gilchrist

“ I am saddened at your passing. It's been many years since we shook hands and spoke. We played a lot of ballgames and with and against each other. You helped make St. Simons fun. You were always a good friend. Hope you're at peace. I know your family will miss you terribly. God bless you old friend!

“ I knew Skip by his grandparents, Mr. and Mrs. Mac that lived on Lee Street in Brunswick, GA. I had a crush on Skip in middle school. I later met his sister Sandra when she played in a band with my son Tim. So very sorry to hear of his death. My prayers go out to each of you as you face these times without Skip.
