“ I don't have many memories of Herbert, because I have always lived in Ohio, and as far back as I can remember, he always lived in VA. But he was so sweet whenever I did get to see him. Love you bunches Herbert. Until we meet again....

“ Dad, it has been a year & a half since you went home to heaven, I miss you more than you would ever know. The saying A Daddys girl will always be a Daddys girl is so very true. It seems like many many years since I have got to see you & Mom, talk to you. I Love & Miss you both so very much. I know Josh is right there with you, give him hugs and kisses from his momma. I think of you all everyday, something trminds me of you each day. The pain has not gotten any easier. I love you & miss you until we meet again, your baby.

“ I am so sorry to hear of the loss of your loved one. May the family find comfort in knowing God cares for you ( 1 Peter5:7); and in the loving kindness' of family and friends.

“ According to my mother, Betty Webb Ball, Herbert was the "defender" in the family. Whenever the girls were being punished he would "step up" because he thought the girls should not be "whipped." Because of these actions, and many others, my mother would frequently mention him and always thought of him as a kind and loving person.

*My own memories are also of a gentle and kind soul. I remember him as taking great pride in his work. His employer always wanted him to come back to work for him because "he was the best."*

*I will always think of him as "the best" too.*

*Love,  
Brenda Ball*
