“ Our hearts and prayers go out to Howard's family. Howard was a sweet, caring and funny, funny man. He worked tirelessly to make sure field staff was taken care of. He always had a funny story or a one liner that would break tension or just bring a group of people closer. He will be deeply missed. May he and Audrey be at peace.

“ *My thoughts and prayers go out to the Myers family as they have truly lost a great man. I'll never forget Howard taking Jeff and I up snowboarding when we were younger. He was so encouraging in our shenanigans and was always around throughout our youth together, whether it was boy scouts or sports.*

My deepest condolences

“ I have been working for GTE/GD for the last 17 years and have had the pleasure of meeting or working for many Senior GD leaders over the years and Howard stood out from among the very best of them.

He touched the lives of everyone he met and made frequent visits out here to meet and show his concern about us deployed employees and customers. He fit in out here in the sand wearing his tactical 511 gear just as good as he did back there at Corporate H/Q wearing his suits.

My Thoughts and prayers are with his family during these hard times. Please know that Howard was loved and will be truly missed by his GD family as well. He will not be forgotten.

“ Although we did not know Howard until fairly recently, we felt an instant connection to this vital, cheerful, and intelligent man. We met him through our friendship with Audrey, and felt so grateful that they had found each other and had such a deep and abiding love together. Our prayers are with Mindy and the rest of Howard's family as they move through this time of grief and pain, hoping that they will find comfort in knowing that love is eternal and abiding. May he and Audrey be united in peace, and awaiting those left behind who loved them both!

“ I remember his speech at the rehearsal dinner. I remember his smile on Jeff and Ginny's wedding day- a big smile that grew as the night went on.

“ Howard was a very kind man and brought a world of joy to my sister, Audrey. May they be united now in peace. My sincere condolences to his entire family. I will always remember the summer we all went to Hatteras and Howard rented a boat. We all went tubing and had a grand time!
