“ *Ian was a great guy. I only knew Ian for a short time by having the privilege of working with him. He always had a smile. He will be greatly missed.*

“ I worked with Ian at Vernon Heating & AC. I was one of the after hours dispatchers. Ian had a great work ethic. I also was fortunate to have out of office time with Ian, at the Shade Tree, driving him home from Cindy & Mike's wedding. He was the life of the party, didn't like to see anyone unhappy, always had a smile on his face. John and I will miss him at the Muddy Waters concert Saturday.

During this time of sorrow, I hope his family is able to take some comfort that his son was loved by so many. May God grant you all peace in a time that makes sense to no one.

“ I had the honor of being one of Ian's friend.. I met him in 8th grade when I had moved down here from Pennsylvania.. I thought he was the greatest guy all threw high school. And even after high school had the honor of still being his friend and getting to hang out with him at Sharp Shooters, and having the greatest times with him.. He will truely be missed.. But never forgotten..
I love you Ian Forever, and always.
