“ My dear #1 1st pigeon. I love and cherish, to my death, and beyond, I wish I could see you fly! My prayers and love to your family and all of your friends. I know how important you always will be to Heavenly Father and His purposes to the life you were a part of. Your life is fulfilled and your family, especially Zach, will carry your memory imprinted on a most special place in their hearts, You take care of all of our little pieces of us. You carry on proud little mama. True goddess. I just felt it was too soon an end but I understand so little in the whole scheme of things, each time I think I may have it figured out, mamma said, think again. You are laughing I hope. Your mom said, "Well, Elvis has some competition up there now". I bet".. I will remember that. Love you babydoll. I miss you #1. In my prayers still. Little dove, fly and shine with your love eternally. A starlight.

I never knew happy and sad could ever fit in the same moments until death cut it's way into my heart at the loss of loved ones. I had to let you fly but I just never knew it would have been forever. Until we meet again.

*You now know... we still only wonder. God Bless you little angel.
xoxoxoxo...forever and ever.....*

“ Ina, we've been there through life's sorrow and pain
But as a family we have always endured the strain.
We've argued and bickered and made each other mad
But if you weren't my family, life would be so sad
We've cried till we laughed and laughed till we cried
Sometimes for no reason we didn't even know why
When we're not together our bond is just as strong
Because we are family we know when something is wrong
We've whispered our deepest secrets only sisters could share
I love my Ina dearly because she always cared
So still we are together but so very far apart
Ina, you're my sister, my friend and forever in my heart.

I love and miss you more then words can say ! I cant imagine our family with out you xoxox
