“ Irene, you were very much an aunt to me growing up. You remembered me at every holiday, and were present for my graduation, wedding, and many other important occasions. We also had many fun 'girls trips' when I was a young teen too ;) I'll always cherish your imprint on my life. Love Always, Ashley, David & Leon

“ I met Irene years ago when Jen and I became friends for life and roommates in college. She made everyone around her smile. I found out many years later what a great grandmother she'd be to her own grandchildren and to mine. One of my favorite memories is the billy goat costume she made for Andrew for our children's first Halloween. There was a crazy October heatwave and baby Andrew was sweating but he was the cutest "kid" on the block. Thanks for all the memories! We'll miss you.--Laura
