“ While a Deacon at Manassas Presbyterian Church these past 6 years, I have delivered flowers to Irene on our ni-annual holiday deliveries. I always looked forward to picking Irene's name out of the list so I could go over and spend some time with her. She was always a delightful person to spend time around and I will miss you deeply. My deepest sympathies to all of you.

“ Mabel called to tell us of Irene's passing. I have many wonderful memories of Irene growing up in Arlington. I was just a baby when she came to live with us on 13th Street. I remember her wedding day and going to a wedding shower for her at Thelma Daniels' house. Irene sewed for me and made little dresses when I was growing up. Mabel even took us to Lawton several times. Irene was a very talented homemaker and loved being a mother to her four children. She was a sweet, sweet person and will always have a special place in my heart. My sympathy and condolences to the whole family. You are all very special for the way you cared for your mother and took care of her.

“ We all will miss our very special friend and "sister". She is with her Sweetheart I do believe and they're strolling over the Blue Ridge hand in hand. Much love to Y'all from the three of us.

“ So sorry for the loss of your mother. Your Aunt Mabel always spoke of your mother often and her love and concern for her sister was always foremost in her mind whenever we would see Aunt Mabel. I remember visiting your home in Manassas as a child (back then it seemed so far away from Arlington). Cannot remember whether or not your mother was as tall as Aunt Mabel but we short Ewers children always thought lowans were extra tall people. We also enjoyed hearing the "war" stories when the three sisters from Iowa came to live with our Grandparents in Arlington and shared a tiny front bedroom. Keep the memories of your mother close to your hearts and recall all the happy times you had together.
