“ I recently moved and while packing I came across old pictures of my second grade class taught by Ms. Reedy in 96. She's been heavy on my mind since I came across those pictures, that's when I discovered her recent passing. Ms. Reedy was truly one of a kind. I was a new student to Baldwin in 96 and she took me in and made me feel welcomed. She was very no nonsense which I appreciate to this day. I can still hear her voice "eyes on your own work, get to work, get to work." She was a true gem. May she rest peacefully with our heavenly father. My deepest condolences to her family and friends.

“ I first met Irma Reedy at Baldwin in 1990 and realized she is a truly amazing person. She and Suzy Parker were quite the comedy team with Irma’s stories and Suzy’s comments or questions at just the right moment. She was light hearted and loving at the same time. She made a family wherever she went. Many of her students thought of her as their grandma. She will always be remembered in the hearts of all of the lives she touched. Thank you for sharing her with us, and our prayers and thoughts are with you!

“ Mrs. Reedy was "One in a Million"...When I began teaching at Baldwin, she greeted me with a bright smile, hug and assurance that if I needed anything, come see her. She was true to her word. Each day I (along with others) received a heartwarming smile and kind word.  
She was true and constant-a rarity & a wonderful gift to the people she touched.

May you find peace in the love she shared,
