“ I recently had the pleasure of meeting Mrs Peyton. Many stories have been shared with me. I am so sorry for your loss and I will continue to pray for your family on a daily basis as the family continues the transition to life with out the Sister in law, Mother in law, Mom, Grandma, or Great Grandma here on this earth, as she has now transitioned to her heavenly home. Your memories can never be taken from you but will always be in your heart, and I pray that they will help you to find peace and comfort during this difficult time

*Tommy and family, I am so sorry to read about your mother's passing. She was a woman who demanded respect and once you did, she respected you. She always made you feel at home and had something made ready for company. God Bless and may the Lord be with you and yours.*

*Isabel was my sister-in-law, but always referred to me as her baby sister. I was only two years old when she and Lewis got married, so to me, she has always been in our family. I will miss her deeply, but she will be forever in my heart.*
