“ Jack will be sorely missed in our community. Jack greeted everyone with a beautiful smile and was the first one to step up to help anyone. Fran and Jack made such a beautiful couple walking together to the Giant and enjoying community activities. As a devout Redskin fan he sang the fight song after every touchdown and field goal during our football parties. He never gave up on the Nationals and hoped to see them in a World Series. He cherished his grandson's boasting of their achievements. God Speed Jack. We will meet again.
