“ *Bobbi, I am truly blessed by just knowing Jack, he was a great man, what he has taught me through the years I will never forget. Now who is going to call me and ask me how much money we are making off snow removal, I am sure he will be looking down on me though. Better not mess up or it will snow harder. I hope each day it gets a little easier for you and your family. Love Jane*

“ Dearest Bobbie, Please know that I would be there today if at all possible. Jackie was always my much older, wittier and wiser northern cousin I looked up to. I have so many fond memories of his visits to Granddaddy Lane's in South Carolina. It was amazing how much trouble (and dirt) we could get into after just arriving in such a short time....the miscalculations we made jumping over the muddy ditch while swinging on a vine, playing in the old T-Models, chasing chickens, and petting dozens of beagles around the farm. When the northern cousins combined their sense of adventure with Janice, Dixie, Susan, and Nancy, there was always trouble to get into and fun to be had!

And then years later there's the memory of Jackie bringing home his new bride for us all to meet...At my impressionable age, you both might as well have been Cinderella and Prince Charming! And, of course, as of recent, I am so grateful that he was able to visit us just several weeks ago in Pawley's Island driving that beautiful red Corvette! Family was always so important to Jackie, as he was to us. I will always remember Jackie's wonderful laugh and sense of humor, his profound honesty, and his love of family. Please extend my love to Russell and Allen, Lisa and John, to Aunt Ruth, and to all the grandchildren. We have all lost a wonderful man. I will forever hold Jackie in my heart. Nancy

“ Bobbi, I will truly miss Jack. I pray that in time your heart will heal from the pain of the loss of your best friend & husband and fill up with the wonderful memories of your life with Jack. I pray that in time your children, grandchildren and that precious great grandson hearts will also heal from the loss of there father, grandfather, great-grandfather and fill up with the memories of life as knew with Dad, & Grandpa. I am glad he got the chance to be surround by his family that loved him so. I am also glad he retired and had time to spend doing things he wanted. I have no one to send cards to now to tell the story of work. So if you don't mind I will send you one once in awhile to let you know I am thinking about you. I really loved you both a lot. Love & Hugs, Shelly

“ Bobbi, Please accept my symphaty on the loss of your husband. Do not know if you will remember me, we are both local natives (Lorton) and attended Pohick together for lots of years. Having lost my husband in July, I know this is a difficult time but each day gets a little easier. You will be in my prayers. Sincerely, Kay Nail Skelton

“ Jack, by now your eyes have seen and ears have heard and mind has conceived the things that the lord has done for you, not to mention the peace that surpasses all understanding. I thank you for your testimony this past year Jack. I look forward to that reunion when we meet again. PS. Your wife and daughter (my wife) will be cared for, I promise .

“ I remember Jack as a person you could rely on when things got tough. Jack was gentle in manor but strong in deed. I use the lesson Jack taught me "every day".
I will miss him greatly.
