“ I had the pleasure to work with Jack shortly before he retired. He would sing "Waltz Across Texas" to me and we would pretend to dance the Texas Two Step. I will always admire his kindness, his compassion, and his gentle manner. I know he's waltzing across heaven at this very moment.

Waltz Across Texas - Ernest Tubb

"When we dance together my world's in disguise it's a fairyland tale that come true

And when you look at me with those stars in your eyes

I could waltz across Texas with you

Waltz across Texas with you in my arms waltz across Texas with you

Like a storybook ending I'm lost in your charms

And I could waltz across Texas with you

My heartaches and troubles are just up and gone the moment that you come in view

And with your hand in mine dear I could dance on and on

And I could waltz across Texas with you

Waltz across Texas"

“ Jack was a dedicated co-worker and friend of mine at Murphy's for over 40 years and the great memories are too many to write about here but are a lasting gift Jack leaves to me.

Jack was very dedicated to his family first, as well as his work as a funeral director and was a guy blessed with many skills and talents. Jack and his presence among us all kept us grounded in being sensitive to the needs of the families we served with his gentle gifts of understanding and kindness.

Jack was the best wood craftsman and carver I ever knew having served as a proud member and officer in the Northern Virginia Woodcarvers Club. I treasure a Pintail Duck he carved and painted for me years ago.

Jack loved his music and the pleasure it brought to others and the friendships he made playing guitar with others. Oh, and he hand crafted a beautiful dulcimer.

My wife Maripat also had the pleasure of working with Jack for 22 years and admired his dedication to his family and his church. We both have great memories of Jack and feel confident that in his 74 years, he shared his love and generosity for everyone.

Jack, hold a parking space for us in Heaven as you cruise in your 240Z.

“ Knowing Jack and his family was a wonderful big part of our life. Jack was always with a gentle comforting voice and eager to help as needed. there is a funeral poem that says "don't cry for me, I am only in the next room" Knowing how this giant of a man helped so many in this world, The Lord is surely watching over him and the loved ones he left behind. May God bless his family and all who loved him.
