“ *Vivian, on behalf of my family, I offer you and your family our deepest sympathy. As a former employee (Ident Division Computer Room) of Jack's, I can honestly say that he was an honorable and fair manager. I will never forget that special stance of his nor will I forget his smile. I pray that you will find comfort in the love that surrounds you and your family. May Jack rest in peace.*

“ Vivian & family:
This is a note that I don't like to write. Really good people of the world, the kind that there are not enough of anymore. He loved TN football, Beef Roast, his country, and most of all his family. The world will miss him.

Just learned that we have lost Jack. While we did not get to see Jack that much over the years because of geographical distance, when we did get together at family events Barb and I enjoyed Jack's humor and wit. The world has lost a good person and we will miss him. Our thoughts and prayers are with his family.

Our hearts sank when we read Brian's post about your loss of Jack in your lives. We were very sad and concerned that he was so ill for quite some time, and we know it was difficult for all of you. He was a good man, and was loved by his family and many friends. Our hearts are with you at this difficult time with the prayer that you will find comfort and peace in the days ahead.
