*Jack, we had many great conversations over the years. We played softball together, I remember you always bringing your girls and the little dog to cheer us on. We were coworkers and worked on several big projects together. I still think about the Monster Drink Rock Festival we attended at Jiffy Lube Live. We had some great times. Rest in Peace*

“ I was lucky enough to meet Jack back in 2004 when I moved in next door to him at Bent Tree Apartments. After he bought his condo in Manassas, we would all still continue to hang out ,his daughters and my son. We would walk to the local school park, swim at their neighborhood pool, go out to eat or sometimes I would request that he make us beef and broccoli. Jack was kind to my son and I. He was a great father, I always told him the girls were so lucky to have such a good Dad. Jack, your are missed , may you rest in peace and watch over your loved ones.
