“ I miss you friend. I'm so sorry for everything you had struggled with. I have so much love for you and you are still in my mind to this day. You were my light coming into Osbourn, the sunshine. I can't say the things I want to say here but I can let you know how much you were loved and that I loved you so much.

“ Jackson,
This was so sudden. I miss you and i love you but our memories give me strength. You had so much personality i think you left some behind darling, but that's okay it just gives us all something to remember. I love you. I will never forget you!!!
