“ *Wilson Family,
I was so sorry to hear of my good friend's passing . We both had a love for the flea market and searching on weekends for vintage guitars . He will be truly missed and he definitely made an impression on me and the many people he came in contact with . My wife and I send our deepest sympathy to the Wilson family . He will always be remembered in my heart and mind . John and Carol Rhodes*

Sorry about your dad saw his picture what a great looking guy. I know you will miss but he will always be with you. I lost my dad 15 years ago and think of him often. Take care of your mom and family it will get better with time. Those things he told you will pop in your head as time goes by. Hang in there my brother and give a yell if me a yell if you need anything!

I am so very sorry to hear of Jake's passing. Your dad was such a wonderful man and I have so many memories of him at the fields, your house and just where ever you boys where. He had such a huge influence on all the boys at the fields but especially the tournament team players. All of you are in our thoughts and prayers.
