“ I've been working with Jackie for many years here at AT&T. Man, for some reason she always seemed to think that I was the one with the answers when she'd run into problems. The truth be told, I couldn't have been able to help her without her also helping me first. I especially didn't mind helping, not because it was my job to do so, but because I enjoyed her passion and concern she showed for her customer's accounts. Although we'd only see each other periodically in the hall ways, she'd always greet me with a smile. We would chat for a little while just to catch up and to see how things were going. I'd give her a hug good bye and say "take it easy". Well, Jackie, my friend, I guess you can finally "Take It Easy!

Jackie was a special person and I'm glad that I had an opportunity to work and talk with her for so many years, she will be truly missed. Your family is in my thoughts and prayers. God's blessings to you all. Joanne Williams-Brown (AT&T - Oakton, VA)

“ I will always remember the mornings together at the bus stop with all our girls. Jackie and Greg always had a wave and a smile when we passed in the driveway.

“ Although I never actually worked with Jacki, we would pass each other in the halls of AT&T and got to know each other over the years. We would always laugh at life and all the joys that our kids brought us. Jacki was always upbeat and fun and a true pleasure to get to know. She was so proud of her family as I know they are of her. God Bless your family during this difficult time. Debbie Sweezy (AT&T)

“ *Jackie was the most genuine person I've ever known. Her infectious laugh and smile, her generous heart, crazy sense of humor and loving nature will always be a cherished memory. I am eternally grateful for the role she played in Kelly's life even though she had three lovely girls of her own. Thank you, Jackie.*

To Greg, Abby, Emily and Hannah, although it's difficult today to see beyond the sorrow, may looking back in memory help comfort you tomorrow.

*With all our love and thoughts of peace and courage.

“ *Hello Family, I'm a co-worker, we had many conversations during the years on our RTE 66 experiences. Jackie was great to work with & just an all around fun person. We would sometimes share our crazy episodes trying to get work completed. My last conversation was right before we left for Memorial Day break, she was looking forward to the break & celebrating with family. She's an AWESOME Lady. Cherylann McWhite*
