“ *When Jaden was a freshman he spent some periods of time in my office. During those visits we would talk about anything and sometimes nothing but sharing smiles. I referred to Jaden as a sweet precious angel. Although years passed, I saw less of Jaden but thought about and spoke of him often. I'm so saddened for the loss of Jaden. I am blessed that I was able to share brief spurts of time with Jaden and will never forget his loving smile.*
