“ James - We have and will always love you. You are family and we are deeply saddened. We remember our last conversation with you and your only concern was that all of your sons would always have everything they ever needed. You brought yourself to tears talking about them. May they always know the depth of the love in your heart that you carried for them.

Thank you for your kindness and your generosity in helping us with our first home. Like you did on Christmas Eve, we hope you're dancing with Granny now. Love and miss you.

“ Jayme,

I still can't believe I'm having to write this. Belloti's farm was where I met you first. From there we became friends and attended many motocross races together with our sons racing. You were a doting father with an exceptional commitment to your boys! Your spirit will live on, and your boys (now young men) will always remember those times. May god bless you and may we meet again. So sad bro.

“ Lots of great memories with Jayme but some of the best were at Bobby Belloti's farm and track with Jayme, Jacob and Mitch. Jacob and Jayme jumping everything on KX 65's and Mitch on an old KX 60 not wanting to jump. For those who knew Jayme big surprise he pushed Mitch to jump anyway, and when Mitch did he lit up like a Christmas tree. Jayme put a smile on Mitch's face a mile wide. Thanks for all the memories Bro. Enjoy Eternal Life you will be missed
