*Hi. This is hard for me to even write. I'm sorry for your loss. May God guide you and watch over you in these trying times. May you find strength when you feel a moment of weakness. May he bless the family and give you peace always.  
I never got the chance to build the bond I would have liked with you dad. But I do appreciate the times we did spend together. I will always love you. Sorry we never got to have that talk. Wish I could have spoken to you one last time after my mom passed. But now that both of you are gone I guess I will try to be my best. Sorry I never got to truly know my history from your side. Sleep in Peace Dad 🕊️*
