“ Jim, worked for my dad part time at service station in Yorkshire , Howard's Sunoco in the 1960's  
If i knew earlier about his funeral I would have gone. I now live in Sperryville, and don't know what goes on in Manassas anymore seeing I live so far away.  
I really liked Jim , he was well liked by everyone that knew him .  
Great guy , every time I saw him I always asked about his wife and his kids , he was a real good Family man.  
God bless , and take care of his family !
