“ Dear Pam and family,
I am sending a card but wanted this to reach you sooner. We were so sorry to hear about your dad. He was a very special person, and I'm glad we had the chance to know him. If we didn't see him when we were out there, we always listened to stories from Skylar about her PopPop. I know today will be a difficult day, and I wish we could be there. You are in our thoughts and prayers.
Love, Edie and Dan

“ My sympathy to the family~ James made it easy to communicate when I had the wedding rings engraved back in 1973. He also was a great cook for crab feasts at the Middle River gatherings. May the family be comforted with wonderful memories of him~ PJ
