“ Jim was so amazing...and the love he had for his kids was so obvious. I remember spending the day with Niki, and Jim called and left her a message. She played the message over speaker, and it brought tears to my eyes. He was so loving and kind...which isn't a surprise to most when a Dad leaves a message for his daughter. But for me, who has a very strained relationship with my Dad, it was overwhelming and amazing to hear. He will be so missed.
