“ Yes, it was an email from Jim dtd 12/9/2001 that got our "gang" mailing list started. Believe it or not, I still have a copy! Jim will be missed, however, the fond memories of the good old days will linger.

“ Leta, Jane and Elizabeth,

Jim was a friend from high school days. It was the W-L band that brought a group of us together and, years later, it was Jim who brought this group of friends back together, and we have been in contact ever since. Thanks Jim, you will be sadly missed.

“ *My memories of Jim are from high school. He was always smiling and encouraging to each of us in the band to laugh, have fun, and work harder.*
I am sorry for your loss, but please know that he brought joy to me, and still does in my memory.
