“ Jimmy was one of the funniest and most laid back people I have ever had the pleasure of knowing. He nick named me Woody after our first experience playing horse shoes together! His shins were never the same after that so he told me. Jimmy you will be deeply missed by all of your extended family here at Luck Stone. Thanks for bringing laughter and fun to us all.

“ I am grateful for the times that James & I shared throughout his career at Luck Stone. We have so many memories they are too numerous to express.  
What a great relationship we established!  
I am sadden of his passing but I can rejoice knowing that my boy "straggler" fought the good fight of life.  
Words won't do justice of what our relationship meant, but He was one of the Kindest persons I've had the pleasure of knowing.  
Sandy, thanks for allowing me to be apart of your family, that's how I felt whenever I visited.  
Know that you are truly blessed to have shared your life with someone as special as Jimmy.  
God's blessings to you and the your family and you have our sincere condolences.

Prayerfully,  
Ron Hope

“ Dear the Hager Family- I am very sorry for your loss, for Jimmy was a very special man. I worked with Jimmy my sophomore summer as a college intern at Luck Stone. Jimmy was my mentor and he taught me every think he knew, I can picture him laughing at me right now. I have never forgot Jimmy for all that he taught me and how he made my summer a "blast". Jimmy was the reason why I came into to quarry buisness and the reason why I even wanted be a blaster. He was so talented and taught me that basting wasnt just a job, it was an art. He was the best blaster I have ever encountered during my career.

I feel so lucky that I was taught by Jimmy and he will forever be part of my stories that I will tell during my life time. God bless you all and my deepest symphy for your loss.
