“ *My cousins and I met James when we were all in France during a summer Foreign Study League course in 1972. He was a complete Southern gentleman and brought me roses one day after class. While sharing old memories of people who had come in and out of lives, I mentioned him to my family today and decided to look him up (6/16/2020) and learned of his sudden passing in 2015. My heart goes out to his family and friends. He was a good one.*

“ *Dear Penn,*

*It saddens my heart to hear of Jimmy's passing. We've been friends since we were in Cub Scouts together, and went on our first campout, at Bull Run Park. We weren't even teenagers, and we sang a song and laughed all night about the new Secret deodorant for ladies that had just come out. Just thinking about James, makes me miss him. My Prayers go out for you and his kids. I'm sure We will sing and laugh again someday, on the other side.*

*Sincerely,

“ *Penn - we are out of town and heading home but heard from Mom and Dad. I am still in shock as I know you are at this time. I so wish we had not missed him last year when we met you for Breakfast. He will always be my brother. Right now it does not look like we will make it on Wed and I am so sorry. We will be in touch soon. Please come for a visit once you get through all this - you can stop over and then go on to Florida to see Mom and Dad. Don is retiring on 8/21 and we plan on being in FL from Nov to April for the first year but back in Atlanta until we decide what we are going to do. Hope the boys are handling this as best they can. You know we are here for you if you need us and I know you did not want to drag this out - timing for us just makes it impossible for us to get to VA. Will have you all in our prayers - Love Don and Joan*
