

## James Paul Kallenborn Jr.

May 17, 1959 - August 5, 2024

James (Jim) Paul Kallenborn, Jr. passed away peacefully on August 5, 2024 due to illness. He was supported by hospice care, family, and friends. He was predeceased by his father, James Kallenborn.

Jim was born in Barberton, Ohio on May 17, 1959, and spent his early years there before

moving to Virginia with his family. After graduating from Washington & Lee High School in

Arlington County, He attended George Mason University, then transferred to James Madison

University, where he graduated with a Bachelor's Degree in Science. He excelled as a student

and had a knack for all things mechanical, fixing and maintaining equipment around the house,

the car, and the yard. This led to a career as a mechanical contractor, specializing in HVAC,

where he held multiple certifications and licenses in that field. He retired in 2020, and was

looking forward to spending more time with his wife and family.

He is survived by his mother, Betty Olson (Dale), his wife of forty years, Patricia, their daughter,

Jennifer Daniel (Jay), grandchildren, Brandon, Hannah, and Alex. He is also survived by his brother, Scott (Mirna), nephews and nieces Matthew, Madison, Mark and Katie, his sister Rakel (Joe), and their children, Faith, Brooklyn, Lily, Summer, and Little Joe, as well as many more family members.

In addition to being able to fix anything, Jim loved listening to the Blues, and playing his guitar.

Before his illness, beach vacations on the Outer Banks with family, and grilling on the patio were

among his favorite pastimes. He enjoyed family gatherings, and was especially proud of his

daughter Jennifer and her family, his little grandchildren were the love of his life. His life ended

much too early, and he will be greatly missed.

“ Our memory of Jim was when him and Patricia and Jennifer moved behind us. Jim was always working on something with his tools from his shed. Later when he would sit outside and help Patricia with garden we became neighbors and friends. He was a good man who dearly loved his wife and family. He will be forever in the hearts of family and friends. Fred and Kit

“ One of my fondest memories of working with Jim in the early to mid 80s. Was a time him and Patricia were looking for a place to live since Jennifer was on her way. Jim was often tired at work from staying up trying to find a place to live. He told me that he needed to take a little nap at lunch, which was OK by me, but while we were napping, a really bad storm came in over top of Falls Church. It got really dark in the middle of the day. Jim finally awoke from his slumber and noticed it was dark. He leaned over and asked me what time it was. I faked a yawn! And promptly said it's 9:30 PM. Jim jumped up and started gathering tools. He said the customer should probably be on their way home. We've got to get out of here then I stopped him and told him it's only 12 noon. I love the memories which there are so many to put down, you will be missed my old friend
