“ Jimmy and Bev and I served together in 1975-85. He was a great friend and branch chief who taught me how to take care of my people and manage the ins and outs of the system. We loved visiting them at their pool and picnicking and shooting. His collections was one to marvel. I regretted leaving IAB but overseas duty called. I ran into him in the early 90s and he was leading a team of new servers. We shook hands and then he was gone. Our prayers and thoughts are with your family and friends. Oh I just found this OBIT and I am so sorry to hear of Jimmy Lee's passing along with Bev's passing earlier. I worked with Jimmy in IAB (and Tim Davis too). Also had fun times camping down at Avon, NC. My late condolences to the Jimmy and Bev's children and grands.
