“*We alyways knew Skeeter to have a smile on his face. He always had something good to say. He loved his grandbabies and they showed so much love for him. He seemed like a good husband and a good father. He sure loved his daughter, Jennifer and her husband, Christopher. He was a worker and yet he took time to enjoy his family and his hobbies.*

Skeeter will be greatly missed but he is resting in a great place with His maker. The bible says God knows our hour before it ever comes. We have to believe and have faith that God has it all under control. Rejoice in the tender and beautiful memories and keep the love growing in your heart. Be at peace because Skeeter is resting in peace.

“ Uncle Skeetie,
I have so many wonderful memories of weekends spent with you and Diana as a child. Food fights, picking grapes in your back yard and memories at the race track and playing with Jennifer. I have missed you tremendously over the years! I wish I could have hugged you one more time. My prayers are with the family.

“ Uncle Skeetie,
Since I was a little tiny girl, you stole a piece of my heart and and you carried it with you all these years. Time and distance never made the love and memories for you feel any less. If not, only stronger.. for I knew what I was missing. Your message that you sent me recently meant the world to me. I only wish I could have seen you smile one more. I love you with all my heart.
Kimmy

Dianna and Jennifer, it was good to see you at the funeral. Words can't express how sad I feel for you right now. The funeral was beautiful and heartfelt. Jennifer, you still look just like your Daddy. I hope to see you again and meet your family, I really do.

*Love you,
Kim*
