“ *Jimmy - I remember and thank you for all the times you helped me and mom when I was between husbands. You were always so good to mom. Sorry you didn't come by the house after we moved from the country to the city. In the country you were comfortable because you could fish out our back yard. You would clean the fish and then I had the bright idea of planting the fish heads by my tomato plants. That was interesting, but not such a good idea. Remember all the Christmas times at my house and the get picnics when we were all younger. Hope you say Hi to mom when you see her. Thanks...
